

RACE BOOK 2026

***RACE
AROUND
DENMARK***

WELCOME TO A RAD EXPERIENCE!!

This has been a crazy year, after participating in RAAM as a CREW last year, but had to abandon, Im going back with Jonas BC to finish the job this summer, I also landed a job at a cycling Clothing Brand ES16 - YAY - so there are some cool prizes this year for the winners in each Category - it also means I have been CRAZY busy, but NOW Im about ready for Race Around Denmark - and I hope YOU are too - weather looks quite good, so looking forward to seeing all you amazing riders SENDING IT - around the beautiful Danish Countryside!!!

The following **Race Book** contains relevant race information for 2026. The RAD rules, are included in the **Rule Book** which can be found on our website. It is mandatory for all participants to read the rules of the race.

We do not hand out a copy of the **Route Book**, you must print a copy if you need it. If participants wish route directions in writing, we recommend them to go to **STRAVA** and extract them from this site.

Supported riders will NOT be penalized for staying with their follow-car instead of using the bike path, in the sections mentioned in the stage notes, but we HIGHLY recommend all riders to use **bike paths** whenever they are available.

For all other information, we recommend our website: www.racearounddenmark.org

In consideration of the acceptance of my participation as a rider, support crew member, film crew, media person, or official in Race Around Denmark, I hereby waive, release, and forever discharge any and all rights and claims for damages, for death, personal injury, or property damage which I may incur, or which may hereafter accrue to me as a result of my participation. This release is intended to discharge in advance the promoters, the sponsors, the officials, any involved municipalities or other public entities (and their respective agents and employees), the Board of Race Around Denmark, from and against any and all liability arising out of or connected in any way with my participation in said event, even though that liability may arise out of negligence or carelessness on the part of the persons or entities mentioned above.

I further understand that it is possible for serious accidents to occur during bicycle racing to anyone connected or not connected with the event, and that a rider, support crew member, or anyone could conceivably be injured by a cyclist, person, or criminal action, other vehicle, or acts of nature like rain, heat, cold, or any other injury-producing situation, and sustain mortal or serious personal injuries, and/or property damage, as a consequence thereof. Knowing the risks of ultra-marathon bicycle racing, nevertheless, I hereby agree to assume those risks and to release and hold harmless all of the persons or entities mentioned above who (through negligence or carelessness) might otherwise be liable to me (or my heirs or assigns) for damages.
